## Premium Content Lady Oilers Basketball vs. Cougars

In this game Pearland started off hard and slowed down at the end due to the cougars hard defense and slowly making a comeback. At the end cougar was growing up on the Lady Oilers but sadly didn't manage to get enough time.

Congrats to Macey Braswell for keeping up the hard work for her two other injured teammates by filling in for point guard and getting the points for her team.

There are a lot more games to come so good luck Lady Oilers
